THE PROPERTY

Description

This three-bedroom semi-detached home is located in the centre of the village. Off the entrance hall is a kitchen and an open-plan sitting and dining room. In the kitchen, a new range-style cooker and extractor have recently been fitted. The kitchen also benefits from a full-size, fully integrated dishwasher as well as a fridge freezer. It provides plenty of storage and worktop space, with a rear door giving access to the private garden/patio.

To the left of the front door, the property benefits from an open-plan sitting and dining area with rear double doors leading out to the garden and a feature fireplace (inactive). A further separate utility/WC is also located downstairs just off the kitchen, with both a separate washer and dryer.

Upstairs has been newly carpeted and comprises the principal bedroom with an en suite, along with two further smaller double bedrooms. Off the landing is a separate family bathroom.

Outdoors

The property has both a front and rear garden, along with side access and private parking. The front garden is mostly laid to lawn, while the rear garden features a patio and lawn area, with rear access through a gate leading to your private off-street parking.

Within the rear garden, a separate outbuilding provides functionality for either an office or storage space, as well as a separate compartment for gardening tools and equipment.
